

Certificate of Support

proudly recognizes the gracious support of

Fun Forest Netherlands BV

*who donated 5000 trees to be planted with
our partner farmers in forest gardens throughout Africa.*

Your support plants fast-growing soil rebuilding trees, fruit trees that diversify incomes and nutrition, and trees that can provide forage and fuel-wood. Most importantly, they promote the long-term health of land, families, and communities – breaking the cycle of generational poverty, and leaving a legacy of hope for the future.
